

Vince Manzoni

Apprenticeship Standard - Electrical Level 3

- ➔ **What inspired you to become a Skills Coach, and what do you enjoy most about supporting apprentices?**

Passion for electrical technologies and sharing industry standards with likeminded people

- ⬇ **What experience and expertise do you bring to your role that helps apprentices succeed in their chosen industry?**

Industrial & Commercial electrical installations background with 15+ years of having worked in construction and manufacturing environments

- ➔ **What's one piece of advice you always share with apprentices to help them make the most of their training?**

Electricity is the driver of the modern world innovation. Everything starts there.

- ⬇ **How do you support apprentices in balancing workplace demands with their studies?**

Integration, workplace tasks enrich the curriculum and the theory reinforces the skills.

- ➔ **What achievement—either your own career success or a learner's success—are you most proud of?**

Keeping the electrical trade highly valuable and appreciated. Share contributions and experiences with talented and brilliant individuals.
