

Fees and Charges Policy 2026–27

For the attention of: All Staff
Produced by: Group Finance Director
Approved by: Board of Directors
Date of publication: May 2026
Date of next review: May 2027

Vision, Purpose & Values

Our Vision

Our students will be recognised locally & nationally for their positive impact on the communities and industries in which they choose to work.

Our Purpose

To inspire our students to gain the skills, knowledge and behaviours they need to be resilient and thrive in an ever-changing world.

Our Values

Excellence: A culture of creativity, high expectations, ambition and aspiration

Respect: Showing fairness, courtesy and mutual respect to each other and our environment

Integrity: Honesty, openness and trust at the heart of College life

Diversity: Celebrating diversity and inclusivity as a key to our success

3. Payment.....	6
4. Refunds and additional fees	8
5. Changes to the Fees Policy	9
6. Associated Documents	9
Appendix A.....	10

1. Overriding Objectives

- 1.1. The following objectives have been central to the fee policy of The Windsor Forest Colleges Group in previous years and remain so for 2026–27:
- The fee structure of the college should be transparent.
 - The fee structure should be easy to understand for all prospective learners and enrolling staff.
 - The fee levels should target as far as possible the Department for Education (DfE) and Greater London Authority's (GLA) assumed fee income targets.
 - The fee can be adjusted at course level to respond to or to maintain our market competitiveness.
 - The policy should be in line with relevant legislation.
 - The implementation of the policy should not be administratively burdensome but should be sympathetic to the learner's needs.
 - The policy should be consistent with Government policy and guidance issued by the Department for Education (DfE), the Greater London Authority (GLA) and the Office for Students (OfS).

2. Fee Structure for 2026–27

2.1. Course fees

- 2.1.1. The course fees include the cost of exams (except for resits), and any materials costs (unless the materials are retained).

The course fee DOES NOT include charges such as:

- The purchase of books and equipment
- Fines, for example, for the late return of library books
- Re-issuing ID cards
- Field Trips
- Subscription to Professional Associations

2.1.2. Funding classifications for learners aged 19 or over

Fully Funded – the Government meets the assumed full cost of the course fee.

Co-Funded – the Government contributes to the assumed cost of the course fee.

Not Funded – the Government makes no contribution towards the assumed cost of the course fee.

The classification that the learner comes under is decided by both Government and college policy. The current rules are included in Section 6 – Associated Documents.

- 2.2. Fees by age group and category – see Appendix A

3. **Payment**

- 3.1. Fees for college-based courses are either to be settled in full at the time of enrolment or may be paid by instalments or where eligible learners may be able to fund their course by an Advanced Learning or Higher Education loans from the Student Loans Company (SLC).

- 3.2. Payment by instalment

Payment by instalment can be requested at enrolment for courses longer than 12 weeks in duration and where the fee payable is greater than £250.

Learners are required to pay 25% of the total fee upon enrolment. The remaining amount will be divided into three equal instalments of 25% each, as outlined in the instalment plan.

For payments relating to an annual course fee, the 3 instalments would be typically due:

- 1 November
- 1 January
- 1 March

Payments will be due as set out in the signed instalment agreement.

If loan funding is not in place after 6 weeks of course commencement (see section 3.4.4.) and an instalment plan is requested at this stage then learners are required to pay 50% of the total fee and then 2 equal instalments of 25% due on 1 January and 1 March.

Students are responsible for ensuring all dues are settled promptly.

Instalments falling on a weekend or public holiday will be payable the next working day.

Instalment payments can be made in person to our Admissions Team or by standing order/regular payment to The Windsor Forest Colleges Group, Sort Code: 09 02 22, Account Number: 10639278, using the student number as reference.

Learners in default on instalment payments, are subject to pay the full outstanding fees immediately and will be subject to debt recovery procedures. Also, learners will be withdrawn from the course until the overdue balances have been cleared and will not

be permitted to sit the exam until cleared funds have been received in full. The College retains the right with withheld certification if fees remain unpaid.

The Group Principal and CEO, or the Group Finance Director, reserve the right to modify these terms as necessary.

- 3.2.1. Instalments will not be offered to learners who have defaulted in previous years.
- 3.2.2. If you are completing a Foundation Degree that is awarded by another institution and the fees are payable directly to the awarding institution any instalment plans will be subject to that institutions policy.
- 3.2.3. If a learner withdraws from a course, any outstanding fees due under an instalment arrangement are still due subject to section 4 below.

3.3. Payment by employer

Where a learner is sponsored by an employer an original letter on company headed paper, and preferably an official purchase order, signed by the employer and acknowledging responsibility for payment of the fee, must be presented at the time of enrolment, otherwise the fees are due from the learner.

- 3.3.1. Separate arrangements apply to the collection of apprentices fees from employers.

3.4. Payment by loan from the Student Loans Company (SLC)

- 3.4.1. Where learners wish to access loan funding to fund their course, the responsibility for applying for and liaising with the SLC is that of the student. Students who intend to use an SLC loan will need to provide evidence of their successful loan application when they enrol.
- 3.4.2. The college will support students in applying for loans and can advise them on the general eligibility criteria but is not responsible for the success of any loan application.
- 3.4.3. At the point of enrolment all learners who do not have loan approval, but who wish to enrol on and start on a course will be required to provide evidence that they have applied for a loan from the SLC. The college will then at its own discretion risk assess the individual's likelihood of receiving a loan from the SLC.
- 3.4.4. Should the loan funding not be in place six weeks after the commencement of the course, then the college will (exceptional circumstances aside) either invoice the learner for the full course fee (in order for them to continue on the course) or require the learner to leave the course with immediate effect (to be included in fee statement in 3.4.3 above).

3.5. Financial support

- 3.5.1. Financial Support may be given to eligible learners experiencing financial difficulties. However, in line with the college Admissions Policy the college reserves the right to either withhold a place on a programme of study or to withdraw learners from their courses if a fee remains unpaid and/or if the learner already has outstanding debts with the college.
- 3.5.2. The college administers a Hardship Fund which has limited and finite resources to assist eligible learners who experience difficulties in meeting the costs of attending college. Applications to the fund for help with tuition fees are assessed on an individual basis against previously determined criteria and are awarded on a sliding scale. Where a learner wishes to enrol on a course but has financial difficulties, form Financial Support (FS) 1, which is available from Learner Services should be completed. A decision on the request for support will be made as soon as possible.

4. Refunds and additional fees

- 4.1. Refunds will not be made after the student commences attendance on the course unless there are exceptional circumstances, e.g., where the college closes or changes the location or time of the course to that referenced in the prospectus, or where serious illness of the student prevents attendance.

- 4.2. Where a course is cancelled the relevant senior Curriculum Manager is responsible for raising the appropriate course cancellation or amendment form and for requesting the processing of the relevant refund.
- 4.3. All requests for individual refunds in 4.1 above must be submitted in writing to the relevant Principal. The request will be assessed in collaboration with the senior Curriculum Manager on its individual merits.
- 4.4. Additional fees may be charged to a student where they transfer between courses and the new course has a higher fee, depending on the reason for the change of course. Where the student has been transferred to suit the college's circumstances, no additional fees will be sought. Where the learner requests the transfer themselves then it is expected that they will be charged the higher fee. Where the new course has a lower fee, a refund will be provided.

5. Changes to the Fees Policy

- 5.1. Factors may come to light that require a change to this policy after its approval, e.g. revised Government guidance. The Group Principal and CEO or Group Finance Director are authorised to make amendments to the policy during the year. They are also authorised to interpret the policy for specific situations that arise during the year that are not explicitly covered in the policy. In these circumstances, the general principles and spirit of the policy will be followed.
- 5.2. There is no appeal to decisions made by the Group Principal and CEO or Group Finance Director on the application of the policy.

6. Associated Documents

- 6.1. DfE Funding Guidance
- 6.2. College Examination Fees Re-sit Policy
- 6.3. Student Financial Support Policy

Appendix A

Fees by Age Group and Category

Age group	Category	Funding	Comments
16-18 and 19+ continuing	Classroom	N/A	Learners aged 16-18 are expected to be following an agreed study programme (either full time of greater than 580 qualifying hours, or part time of less than 580 qualifying hours) or an apprenticeship. The college will not permit a learner to undertake a course which is not part of their study programme or apprenticeship or has no relevance to it. Learners aged 16-18 must undertake Maths and English as part of their study programme if they do not hold a GCSE (Grade 4 or above) in these subjects. No course fee will be charged for these learners on a study programme. An examination fee will be charged if the learner is re-sitting an exam after failure or to improve their grades, if - the attendance/performance of the learner on the course is below what is expected (Excl. Illness or other acceptable reason) - the student does not attend the exam paid for by the group - a student fails an exam and wants to re-sit, but is not funded in the year or the re-sit (i.e. the student did not return to the college as a learner and is therefore not funded) - the student re-sits an exam to improve the original grade, but is not funded in the year or the re-sit (i.e. did not return to the college as a learner and is therefore not funded) If a learner requires equipment or materials and retains these during the course, then these will be charged to the learner.

16-18	Traineeships	N/A	No course fee will be charged for a learner on a traineeship. An examination fee will be charged if the learner is re-sitting an exam after failure or to improve their grades. See the group's Examination Fees Re-sit Policy. If a learner requires equipment or materials and retains these at the end of the course, then these will be charged to the learner.
19 to 23	Classroom	Fully funded	No course fee will be charged in the following circumstances if the student is: • studying for their first full Level 2, or Level 3 qualification. • studying for a Level 1 or Entry Level qualification without having a full Level 2 qualification (which must be delivered as Entry or Level 1 provision from the local flexibility fund). • Unemployed and in receipt of a state benefit, seeking to enter employment and undertaking relevant skills training to do so, up to Level 2. • In receipt of Jobseeker's Allowance. • In receipt of Employment and Support Allowance. • In receipt of Universal Credit because they are unemployed. • studying for GCSE English and/or Maths or an approved English or Maths qualification for those without these subjects at GCSE Grade 4 or above. An examination fee will be charged if the learner is re-sitting an exam after failure or to improve their grades. See the group's Examination Fees Re-sit Policy. If a learner requires equipment or materials and retains these at the end of the course, then these will be charged to the learner.

		Co-funded	Co-funded up to Level 2 For part time courses the fees are as published. Course fees as above will be charged in the following circumstances (unless the student is unemployed): • Studying for an Entry Level or Level 1 qualification having previously attained a full qualification at Level 2 or above. • Studying for a full Level 2 qualification having previously achieved a full Level 2 qualification. • Studying for another Level 2 qualification (local flexibility provision may be fully funded dependent on learners, age, prior attainment, and circumstances). • Studying for an ESOL qualification. An examination fee will be charged if the learner is re-sitting an exam after failure to improve their grades – See the group's Examination Fees Re-sit Policy. If a learner requires equipment or materials and retains these at the end of the course, then these will be charged to the learner. Co-funded for Level 3 and Above There are no co-funded courses for Level 3 and above. Instead, Advanced Learning Loans apply.
--	--	-----------	---

Age group	Category	Funding	Comments
		Not funded	A fee covering all costs plus a contribution of at least 50% to the fixed costs of the college.
19 to 24	Traineeships	N/A	No course fee will be charged for individuals who are unemployed and on a traineeship.

19+	Advanced Learner Loans		Where the course is Not Funded and at Level 3 or above, the learner has the choice of applying for an Advanced Learning Loan or paying the college fee (but see National Skills Fund (NSF) for 24+ learners below). Prospective learners will be expected to have in place approval for their loan by the start of their programme. Learners who do not have approval for the appropriate loan on commencement will be required to either sign an Advanced Learning Loan fee agreement at enrolment, confirming their intention to apply for loan or demonstrate their commitment to cover their fees in another way (see payment section above).
18+	HE Tuition Fee		Course fees for Higher Education Courses can be funded via Student Loans Company, Self-fund, or by Employer. Annual fees are reviewed in line with the OfS basic fee cap and are published on the College website.
24+	Classroom	Fully funded	No charge will be made for the unemployed up to Level 2. No charge will be made for first Level 3 courses where the qualifications are approved as qualifying under the National Skills Fund.
		Co-funded	Co-funding is not available.
		Not funded	A fee covering all costs plus a contribution of at least 50% to the operating costs of the college will be charged to the learner OR the employer.
14 to 16	From local schools	N/A	Where 14–16-year-olds are attending a course at the college, then the fee will be approved by the Deputy Group Principal or Group Principal and CEO. The home school will pay this.
	Via local authority	N/A	Where 14–16-year-olds are attending a course at the college, then the fee will be approved by the Deputy Group Principal or Group Principal & CEO. The local authority will pay this.

Age group	Category	Funding	Comments
N/A	Apprentices	N/A	Employers are either a levy paying or non-levy paying employer. Levy paying employers are those employers with an annual payroll bill of over £3 million and they pay HMRC the apprenticeship levy. The levy (a hypothecated tax) is set at a rate of 0.5 percent of the pay above £3 million. HMRC then allocate a monthly amount to the employer's digital account (plus a 10% government top up) which the employer can use to fund apprenticeships for up to 24 months. Once a levy paying employer has used up their levy pot then they switch to the five percent non-levied employer co- funded method. Non-levy employers pay a five percent contribution (co-investment) and the remainder is paid by the DfE to the college. All apprenticeship funding including non-levy is accessed via the apprenticeship service and employers set up digital accounts and can reserve funds for their use rather than the college having an DfE funding allocation per se as previously. The Windsor Forest Colleges Group pricing policy will be to charge employers the upper limit of the relevant band (apprenticeships fall into 30 bands) for the apprenticeship but will negotiate where appropriate to take into account prior knowledge, skills or behaviours and market forces including competition, volumes etc. The Windsor Forest Colleges Group will also charge and collect from employers the relevant five percent co-funding contribution. In exceptional circumstances, for example, where high delivery costs require it, the college may look to charge employers' fees higher than the upper pricing band. In this circumstance, the college will charge the employer the difference between the band price and the fee proposed. The Group Principal and CEO or Group Finance

Age group	Category	Funding	Comments
			Director and the Vice Principal Business Development will agree the fees.
19+	Higher Education – direct prescribed	N/A	Where a learner is undertaking a course that is directly funded by the Office for Students an annual fee will be set and will depend on the course content. The full time and part time fees will be updated shortly.
	Higher Education – indirect prescribed	N/A	Where the college is providing a course fundable as Higher Education provision on behalf of a university or other institute, the fees will be set after consideration of the course content and the Higher Education provider's charges and competitor fees. The fees will be set by the Group Principal and CEO and Deputy Group Principal consideration of market forces.
N/A	Full cost – home students		A fee covering all costs plus a contribution of at least 50% to the operating costs of the college will be charged.
	Full cost – overseas for fee purposes		Learners will be charged the reported funding bodies rates for a Full Time Further Education Course. For a Part Time Further Education course, the fee will be pro-rata the above full-time fee.
N/A	Learners with low wages	N/A	The college will fund learners who are employed and who would normally be co-funded and who earn less per annum than the wage thresholds determined by the DfE and GLA, subject to them providing evidence of annual wages that meet the DfE funding rules and requirements.
N/A	Staff	N/A	This section applies where members of staff are undertaking a course as part of personal development. All applications for staff development should be made in line with the Staff Development Policy. Staff are required to show their current identity badge as proof of eligibility to staff discount. For courses of Personal Development/Interest, then

Age group	Category	Funding	Comments
			75% of the tuition fee element and the full amount of any awarding body fees is payable on DfE and GLA funded FE courses by all college staff. There are no reductions for HE courses. Work related courses that are a mandatory or statutory requirement are free but must be requested through the Professional Development department in line with the Study Leave and Funding Policy. This applies to DfE and GLA funded FE courses, HE courses and Full Cost courses.
N/A	Military and public services staff		Military and public services staff will be entitled to discounts of 5% for 'leisure and pleasure' courses and 10% for courses where the individuals concerned are looking to retrain.

Age group	Category	Funding	Comments
			Fees for using the BCA Campus bus service will be published on the BCA College website each year, at least 2 months prior to the start of the new academic year. Students who meet the criteria for financial support can apply for support towards the cost of travelling to college as set out in the Student Financial Support Policy Note all bus passes are non-refundable
